Visa 1

- Not something you should worry about during the application process
- New Visa process introduced by the Central Visa Unit, Malta
- Applies to all Third Country Nationals (TCNs)
- For full-time courses of at least one semester at UoM
- All Third Country National students must apply for a Long Stay Study D-Visa
- The 90-day Visa waiver can no longer be used for study purposes and applicants can no longer apply at the Maltese Embassy in their country
- Selected applicants of the course will receive detailed instructions by the International office of the University of Malta on how to proceed with their visa application submission.

Visa - 2

- Once the Long Stay Study Visa is issued:

  - Travel to Malta
  - Complete full course enrollment
  - Pay tuition fees

- Selected applicants then apply for a residence permit that covers the two year stay in Europe.

Housing in Malta

- https://maltauniversityaccommodation.com/
- Finding accommodation in Malta can be challenging and scams are common. Be careful with transferring deposits before you have a verified contract.
- If you can get in contact with previous students they could potentially share with you their accommodation contacts.
- Use official websites for accommodation. Check for reviews online.

Document Verification

- Applicants who receive an unconditional letter of acceptance and are presenting overseas qualifications are required to present their original documents upon arrival at the University of Malta.

- Such applicants are to present the following documents during the verification process:

- Passport / Identification Card
- High School Diploma and transcript (if applicable)
- Degree certificate and Transcript (if applicable)
- SELT results (if applicable)

Funding (scholarship students)

- **Why?**

- A contribution to support you with the expenses of the Masters.

- **How much?**

The first instalment will be made at the start of the course once you arrive in Malta. The first instalment will be of 2800 euros. This will be processed after you arrive in Malta and it will sent to you after approximately two weeks from arrival.

- For the rest of the course selected applicants receive a monthly subsistence allowance of **1400 euros** per month during the four mobility periods.

- **When?**

- By the 3rd Friday of each month. Sometimes it can be on the 2nd Friday, it will depend on the specific month.

Funding/Banks (scholarship students)

- **How?**

- Before the transfer is made the Centre for Resilience and Socio Emotional Health sends the attendance of the students to the Project Office and after the Project Office sends the payment to the finance office and payments are made on Fridays.

- **Where?**

- You need to open a European Bank account

Erasmus+ Funding (Self funding students)

- Self funding students can apply for support from the Erasmus+ program for the mobilities to Crete and the mobility to either Lisbon or Suceava.
- Scholarship students cannot apply for this as it would be considered double funding.
- Students seeking Erasmus+ grant funding will need to submit applications with the Erasmus+ office.

Self-funding students – deposits and fees

- Self funded students are issued a letter of acceptance with a link to pay the €1000 deposit online. This should be paid according to the deadline on the letter of acceptance (as explained in the letter itself).

- The rest of the fee then has to be paid at the beginning of the semester i.e. October. An invoice with the payment terms will be sent then.
